

EMPLOYEE **RELOCATION** INITIATIVE

Pathstone 
Mental Health

the BURKE GROUP

We strengthen the quality of life for children, youth and families who are dealing with mental health challenges.

We are the primary provider of Children's Mental Health Care in Niagara. We see over 10,000 kids each year at no cost to their families. Our goal is to ensure when kids need us, Pathstone is at the ready. We offer a 24/7 Crisis & Support Line, 9 in-person walk-in clinics located across Niagara, and our services are offered at 3 main sites. The Branscombe Centre in St. Catharines, considered to be our main headquarters, The Mountainview Centre for Innovative Learning, our specialized school for students in grades 1-8, Rotary House in Niagara Falls, our live-in treatment center, and opening in January of 2023, River House, our newest site located in Welland, designed to serve families living in Niagara South.

Our goal is to ensure no child waits more than 30 days to begin a mental health program at Pathstone. Our team goes beyond the job description to ensure kids and families feel safe and supported. Our reputation in the community speaks to that commitment.

Pathstone is the Lead Agency for the Niagara service area. As part of this leadership role we are working with local planning bodies, youth, parents and partner agencies to meet the goals of MOMH.

LIVE WORK PLAY

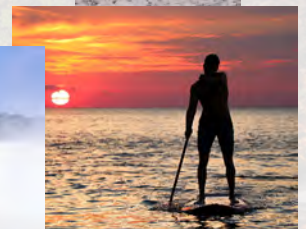

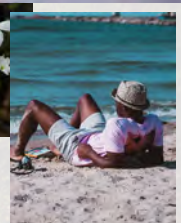

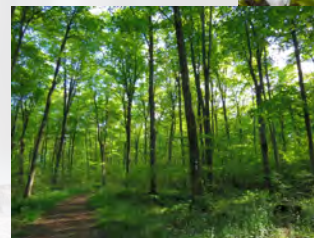

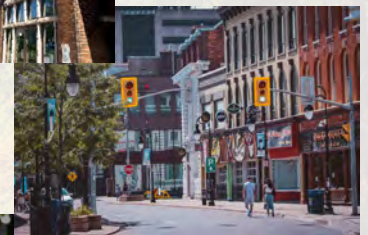

Welcome to Niagara, which lies on the west side of the Niagara River, between Lake Ontario and Lake Erie.

More than 480,000 people call the Niagara Region home.

As a Region consisting of 12 municipalities, Niagara provides services essential to your day-to-day life, from clean water and roads to children's services, public safety, housing and more.

Niagara believes in Social, Environmental, and Economic choices that support the diverse community and foster collaboration with many partners in making Niagara a prosperous place for EVERYONE.

Niagara boasts sprawling wineries, sandy beaches, vast green spaces, endless cyclist routes, plentiful shopping, farmers markets, dining and entertainment and of course, the world renowned wonder, Niagara Falls itself.

LIVE WORK PLAY

Relocating to Niagara means realizing some great benefits.

Higher Salary

Pathstone wages are competitive and higher overall than the national average.

Reduced Living Costs

The average detached home in Niagara is \$600,000 cheaper than the average home in Toronto. Home ownership is simply more affordable.

Arts, Culture & Recreation

Niagara is home to a rich and diverse arts and culture scene. It is also home to a countless array of restaurants and other attractions. Enjoy thematic festivals throughout the region year-round.

Healthier Lifestyle

Aside from the abundance of hiking and biking trails in Niagara, live healthier by buying fruit and produce directly from local farmers.

Shorter Commute

Commute times to Pathstone range from 5 to 30 minutes, compared to 45 to 60 minutes in the GTA.

More Favourable Work/Life Balance

Pathstone offers core hours with flexible scheduling to meet the needs of clients.

WHERE DO I LOOK?

HOW CAN I AFFORD?

We understand that relocating
can be as challenging as it is expensive.

We've anticipated many of these challenges with you.
