Wear *plaid*. Fund Care. Change Lives.

This November, wear plaid to power Pathstone walk-in clinics. **Because crisis isn't scheduled.**

Inspired by the life of Amelia Durocher, Project Plaid is more than a show of support. It's a funding lifeline for the clinics that serve kids and youth in crisis, without waitlists, without appointments, without delay.

When you wear plaid on November 7th and donate, you're keeping those doors open. You're giving Niagara's youth the mental health support they need, right when they need it most.
