MANAGEMENT

Wear *plaid*. Fund Care. Change Lives.

This November, wear plaid to power Pathstone walk-in clinics. **Because crisis isn't scheduled.**

Inspired by the life of Amelia Durocher, Project Plaid is more than a show of support. It's a funding lifeline for the clinics that serve kids and youth in crisis, without waitlists, without appointments, without delay.

When you wear plaid on **November 27th** and donate, you're keeping those doors open. You're giving Niagara's youth the mental health support they need, right when they need it most.
